Records of Personal hearing

4. As per the orders of the Hon'ble High Court, personal hearings have been granted in the case on 20.01.2014, 12.02.2014, 25.02.2014, 11.03.2014, 24.03.2014 & 04.04.2014 and information was supplied to the petitioners from time to time. Final hearing was held on 06.08.2014. During hearing, the petitioners submitted a joint representation dated 06.08.2014 and requested the Committee to pass the speaking orders on the points raised in the joint representation.

Discussions and Findings

5. Before taking up the matter, it is clarified that additional price on account of the enhanced compensation to be recovered from the allottees, is worked out by the Chief Administrator as per Regulation 2(b) of Haryana Urban Development (Disposal of Land & Building) Regulations, 1978 on account of the enhancement of compensation of any land in the same sector by the Court. This amount is calculated sectorwise and is applicable for the full sector.

For the guidance of the public, the guiding principles on the basis of which enhancement is calculated by HUDA are available on HUDA Website under the link

[https://www.huda.gov.in/Financial%20Wing/FAQ%20on%20recovery%20of%20Enhancement%20from%20Plot%20Holder\(s\).pdf](https://www.huda.gov.in/Financial%20Wing/FAQ%20on%20recovery%20of%20Enhancement%20from%20Plot%20Holder(s).pdf)

The same principles have been followed in passing of previous speaking orders of different sectors in the different Urban Estates. The copies of speaking orders are available in website of HUDA under the link https://www.huda.gov.in/Financial%20Wing/Speaking_Orders_Passed_As_Per_Direction_of_Honourable_High_Court.pdf also.

6. The **discussions and findings** of the Committee on the issues raised in the joint representation raised are as under:-

Para 1: The petitioners have stated that the location of plot no. GHS 103 GHS falls in Part I of Sector 20 Panchkula.

Findings: Matter of facts.

Para 2 & 3: The petitioners have stated that in Sept 2002 the enhancement cost of land was demanded based on the two judgments awarded by Hon'ble Court Ambala and Hon'ble Court Panchkula, but these Judgments were referred by Hon'ble Punjab & Haryana High Court to Session Court Panchkula. As a result, the 1st EC of land was not applicable and therefore the amount paid by the Societies against the first demand should be adjusted against the 2nd EC along with the interest. It will reduce the EC amount as recalculated by the HUDA.

They have further submitted that as per calculation sheet provided, the 1st revised EC is Rs 581.26/- per sq yard against the original demand of Rs 678.80/- per sq yard therefore Rs 97.54/- per sq yard should be reduced from 2nd EC of Rs 1914.20 /- per sq yard.

Findings: HUDA had issued the recovery notices of enhanced compensation in respect of Sector-20, Panchkula as follows:

- (i) First recovery for Rs. 678.80 per sq.yd. issued by Estate Officer, HUDA during Sept., 2002.
- (ii) 2nd recovery for Rs. 2276.82 per sq.mtr. or Rs. 1903.69 per sq.yd. issued by Estate Officer, HUDA during July, 2010.
- (iii) A representation from Joint Action Committee of Group Housing Societies of Sector-20, Panchkula was received against the recovery of 2nd enhancement of Sector-20, Panchkula. Thereafter, recovery of 2nd enhancement was revised and conveyed to Estate Officer, HUDA, Panchkula vide this office letter No. HUDA-CCF-Acctt-II-2011/15353 dated 06.05.2011.
- (iv) As per revised calculations the rate of recovery of 1st enhancement worked out to Rs. 530.47 per sq.yd. instead of Rs. 678.80 per sq.yd. whereas the rate of recovery of 2nd enhancement worked out to Rs.1747.10 per.sq.yd. against the recovery rate of 1903.69 per.sq.yd. The excess recovery of Ist enhancement of Rs. 148.33 per sq.yd. was updated with interest from 1.10.2002 to 10.6.2010 i.e. from the date of calculation of Ist enhancement till the date of calculation of second enhancement @15% p.a. and it worked out to Rs. 319.46 per sq.yd. After giving the credit of Rs. 319.46 per sq.yd. the net rate of recovery of 2nd enhancement has been worked out to Rs. 1427.64 per sq.yd.(i.e. 1747.10-319.46) for

which the revised notice will be issued subject to the following conditions:-

- a) The first rate of recovery of enhanced compensation of Rs. 678.80 per sq. yd. will remain intact as the credit of excess rate of recovery of Rs. 148.33 per sq.yd. has been given in the 2nd recovery of enhanced compensation alongwith interest @ 15% p.a. from 1.10.2002 to. 10.6.2010.
- b) The allottees who had paid the extra amount due to decreased rate of recovery of 2nd enhanced compensation, will be refunded the excess amount alongwith interest @ 15% per annum (simple),from the date of deposit till the date of refund.
- c) The allottees, who have not paid the amount will be charged the rate of interest @ 15% per annum on the reduced rate of 2nd recovery from the date of original notice of 2nd enhancement.

The additional price on account of the enhanced compensation to be recovered from allottees of Sector-20, Panchkula was prepared on the basis of award of Hon'ble ADJ, Panchkula @ Rs. 160/- sq. yd. and Rs. 250/- per sq. yd. The same was conveyed to Estate Officer, HUDA, Panchkula vide this office letter No. HUDA-CCF-Acctt-II/2002-24288 dated 11.09.2002 for recovery from allottees. Further, on the basis of award of ADJ, Panchkula dated 10.12.2008 @ Rs. 394/- per sq. yd., the recovery of differential amount @ $394-160=234/-$ per sq. yd. and $394-202.45=191.55$ Per sq. yd. conveyed to Estate Officer, HUDA, Panchkula vide this office letter No. HUDA-CCF-Acctt-II-2011/15353 dated 06.05.2011. The recovery amount of 1st enhancement is automatically adjusted in the recovery statement of 2nd enhancement.

Para 4: The petitioners have stated that the total area of the Societies considered is 95.26 acres in the calculations whereas it should be 97.45 acres as per data procured from HUDA. There are total 110 Societies and the total area of these societies is 101.45 acres. Societies no. 108 to 111 do fall under area of part I of Sector 20 Panchkula and area of these societies is 4 acres (1 acre each i.e. 4000 sq mts) which is excluded from total area of 101.45 acre which comes out to 97.45 acres.

Findings: As per the verification report received vide memo No. DTP(P)-2014/ 1547 dated 10.9.2014 addressed to the CCF, HUDA, the

DTP, Panchkula has certified that GH sites No. 108, 109,110 and 111 comprising of total area 3.95 acres falls under Sector-20 (Part-II), Panchkula. There are 106 Group Housing Societies in Sector-20 (Part-I), Panchkula, the total area of these 106 societies is 96.24 acres.

Therefore, the Committee finds that re-calculation may be done on the basis of 96.24 acres as area for Group Housing Societies in Sector-20 (Part-I), Panchkula.

Para 5: The petitioners have stated that the area of Open space, Roads, Green belt has been increased by 12.25 acres i.e. from 59.66 to 71.91 acres. This increase is not seen on ground. On the other hand, HUDA land area has been reduced by 15.26 acres i.e. from 22.11 to 6.85 acres. The details of these changes should be provided to us and the difference needs to be resolved.

Findings: As per the verification report received vide memo No. DTP(P)-under CTP(H)-1174 dated 01.10.2015 addressed to the CCF, HUDA, the DTP, Panchkula has certified that the total area for roads, parks and green belt is now 73.43 acres. Therefore, the Committee finds that re-calculation may be done on the basis of 73.43 acres as total area for roads, parks and green belt in Sector-20 (Part-I), Panchkula.

Para 6: The petitioners have stated that the copy of SAJRA on which the total area of 251.40 acres has been earmarked should be provided. The copy of Jakmabandi and the list of owners of land to whom EC has been paid (including amount paid) may be provided to us.

Findings: Providing SAJRA plan at this stage may further delay the passing of speaking order. The petitioner have already filed COCP No. 1508 of 2015 which is listed for 30.10.2015 in the Hon'ble High Court against the HUDA for non passing of speaking order.

HUDA is bound to follow the area calculation by the CTP HUDA in respect of the sector layout. As per the latest verification report received vide memo No. CTP(H)-1174 dated 01.10.2015 has certified that the total area under various utilities for Sector-20 (Part-I) Panchkula are as below:-

Sr.No.	Land use	New Area (in acres)
1.	Plots(GH Sites)	96.24
2.	Commercial	21.67

18.	Mandi Area	20.00
19.	Tubewell	0.71
20.	Telephone Exchange	1.00
	Total	253.90

Therefore, the Committee finds that re-calculation may be done on the basis of above land utilization in Sector-20 (Part-I), Panchkula.

- (a) Regarding demand of the petitioner for supply of the list of owners of land to whom EC has been paid, the Committee finds that this is not relevant for calculation of additional price on account of enhanced compensation awarded by the court. As per **regulation -2 (b) of The Haryana Urban Development (Disposal of Land & Building) Regulations, 1978**, "ADDITIONAL PRICE" is determined on account of the enhancement of compensation of any land or building in the same sector by the Court on a reference made under section 18 of the Land Acquisition Act, 1894. Once the enhancement has been ordered by the Court, HUDA is bound to pay the same to the land owners. In turn, same burden is passed to the HUDA allottees in the form of demand of additional price on account of enhancement.

Para 7: The petitioners have stated that there are various private builders in Part I and II of Sector 20 who are constructing the flats in

Pro ✓ *HL* *g* *W*

Sector 20 on the acquired land. The residents of these flats shall be using the common facilities available in the Sector 20. Therefore, the common facilities of Sector 20 should be separately allocated to area located in Part I and Part II of the sector as was decided in earlier meetings with the HUDA officials .

Findings: There are two tiers of development process in an urban estate. The first tier relates to providing and integration of town level facilities and services under external development works .This component is funded through levy and recovery of external development charges (EDC). The charges on account of external development works are divided proportionately on all the sectors in the urban estate i.e. both private colonizers as well as HUDA plot owners.

The second tier relates to facilities within the sector under internal development works, this is recovered in the form of internal development charges (IDC). But charges on internal development works are to be accounted for under "Development Cost" in the price fixation formula for the sector.

Therefore the Committee finds that common facilities of only external development works can be charged to the private builders proportionately in the form of EDC levied by the DGTCP at the time of grant of licence. The internal development works within the private licenced area are borne by the private builders. Similarly internal development works within the HUDA allottee area are to be borne only by the HUDA allottees.

Para 8: The petitioners have stated that water works occupying the land of 7.34 acres, which includes 1.09 acres for staff quarters considered as saleable land. Why the entire area including 6.25 acres not considered as such. In this regard, it s brought out that while charging water tariff, the cost of capital and interest thereon is also included in that, Therefore it should not be part of the common facilities as this amounts to double charging.

Findings: The Committee finds that water works is facility developed as internal development works within the HUDA allottee area, so the charges are to be borne only by the HUDA allottees.

Para 9: The petitioners have stated that while calculating the first enhanced cost of land, Rs 7.25 lakh per acre including interest thereon,

has been reduced from the total. Their contention is that it should be reduced in proportion to the amount paid by the plot owners.

As per calculation the benefit given to the plot holders that credit of land cost are as under:-

Land cost taken @ Rs. 5.00 lacs per acre in the year 1990. The allotment year is 1993 and interest @ 15 % w.e.f. 1991 to 1993 is Rs. 225000/- .	725000/-
--	----------

15% interest 01.01.1994 to 30.09.2002 (105month)	<u>951563/-</u>
	<u>1676563/-</u>

The Committee finds that proper set off is already granted in the calculation.

Para 10: The petitioners have stated that we were allotted the land at a higher price in comparison to the land allotted to other societies in 1993. The difference amount should be adjusted accordingly.

Findings: The land prices to the GHS was charged by taking rate of Rs. 5.00 lacs per acre for Panchkula as 1990 as the base year as per Agenda Item No. A-44(28) approved by the Authority. The Committee finds that additional price has to be calculated by giving set off by taking the base year as 1990. The set off of Rs. 725000/- has already been given.

Para 11: The petitioners have stated that in the judgment of Hon'ble Punjab & Haryana High Court date 5th November, 2012 Ashok Kumar Vs. State of Haryana, wherein RFA Nos. 4686 to 4688, 4690 to 4691 and many others RFA are being allowed, Land Acquisition Officer, Govt. of Haryana contested through various RFA that the EC amount awarded by the Hon'ble Session Court is unjustifiable. As the RFA of LAO are allowed therefore the demand of enhanced cost of land from the residents of Part-I of Sector-20, Panchkula is not tenable.

Findings: The Committee finds that Hon'ble Supreme Court of India by its orders dated 17.2.2015 in the Civil Appeal No.s 2231-2242 of 2015 (Airsing out of SLP(C) Nos. 26432-26443 of 2013) in the matter of Ashok Kumar & Ors Vs. State of Haryana has restored the compensation awarded by the Reference Court i.e. Rs. 394/- per sq.yds. Therefore, no benefit can be given to the petitioners on the grounds that Punjab & Haryana High Court has reduced the compensation awarded by the Reference Court.

Order

In view of the above findings, the re-calculated additional price is as per Annexure.

Now as per revised calculations the rate of recovery of 1st enhancement worked out of Rs.583.30 per sq. yd. instead of Rs.530.47 per sq. yd. whereas the rate of recovery of 2nd Enhancement worked out to Rs.1921.79 per sq. yd. against the recovery rate of Rs.1427.64 per sq. yd. The less recovery of 1st Enhancement of Rs.52.83 per sq. yd. was updated with interest from 01.10.2002 to 10.06.2010 i.e. from the date of calculation of 1st Enhancement in the date of calculation of 2nd Enhancement @15% per annum and it worked out to Rs.113.78 per sq. yd. After adding the recovery of Rs.113.78 per sq. yd. the net rate of recovery of 2nd Enhancement has been worked out to Rs.2035.57 per sq. yd. (i.e. Rs.1921.79+113.78) for which the revised notice will be issued subject to the following conditions:-

1. The 1st rate of recovery of enhanced compensation of Rs.678.80 will remain intact as the credit of rate of recovery of Rs.113.78 per sq. yd. has been given in the 2nd recovery of enhanced compensation along with interest @15% p.a. from 1.10.2002 to 10.06.2010.
2. As already conveyed by this office No.CCf-Acctt-II-2011/15353 dated 06.05.2011, the 2nd rate of recovery of enhanced compensation of Rs.1427.64 per sq. yd. will remain intact.
3. 3rd rate of recovery of enhanced compensation worked out to Rs.(2035.57-1427.61)=607.90 per sq. yd. upto 10.06.2010. This amount of Rs.607.90 per sq. yd. after updated @ 15% p.a. which worked out to Rs.1099.55 per sq. yd.
