1. HSVP in the past had formulated policy guidelines on the subject, in the year 2004, which remained in force till the year 2014 and thereafter in 2016 which was extended from time to time upto 31.03.2020. These policy guidelines provided that "an allottee who has constructed and occupied the building constructed on residential/ commercial/industrial & institutional plot, without obtaining a valid occupation certificate, may subsequently make an application before the Zonal Administrator, HSVP for issuance of the same alongwith cogent evidence to the completion of building by a specific date and, get the violations, if any, compounded. No extension fee was payable beyond the deemed date of completion of building as determined by the Zonal Administrator, HSVP".
2. On the basis of report PPM, it has been found that there still remains a considerable nos. of allottees of residential, commercial and institutional who have been occupying the building without having a valid occupation certificate. 3. Concerned Zonal Administrators and Estate Officer shall ensure that complete outstanding installments/enhancement/auction price/ pending dues on account of any other reason are paid by the applicant before taking the decision with regard to waiver of extension fee under this policy.
4. Under this one time relief, the allottees, who are desirous to get a valid occupation certificate, may make an application for issuance of a occupation certificate, along with cogent proof/documentary evidence to facilitate determining the date of completion of houses to the satisfaction of Zonal Administrators, get the violations(if any) compounded after depositing the payable compounding fee, as per policy. Besides the compounding charges the allottees shall have to pay **Rs. 35,000/-** in respect of residential plots, **Rs. 75,000/-** in respect of commercial plots and **Rs. 1.5 Lac** in respect of institutional and Group Housing Plots.
5. For cases where building was constructed before 11.09.87, the old rates of erstwhile Colonization Department shall be made applicable and for cases pertaining the period from 11.09.1987 onwards, the present HSVP compounding rates as provided in prevalent policy would be applicable. Cases where Occupation Certificate has already been obtained under the previous policies shall not be opened again and reconsidered under this limited period facility.

6. Occupation Certificate requests of such allottees shall be examined/decided as per present extension policy, on the basis of date of application and not on the actual date of construction of building.
7. **Application shall be dealt as per following procedure:-**
